To find an item in this list, please use Adobe's powerful search function.

We obtain our stock from collections we purchase. We do not have a China supplier. Consequently, where something is unpriced, we do not have it at present.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

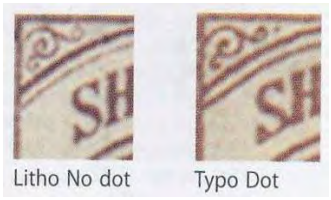

The prices in this list
INCLUDE
GST

All prices are in Australian dollars.

				For a number of issues around this time, stamps from sets were produced in individual sheets, hence the "singles" listing. These represented the bulk of the issue. The corresponding se tenant issues come from small sheetlets (kleinbogen) and are "extras". Prices for these se tenant combinations can be as much as 10x the price of the single stamps.
