FOREIGN
Non-British Commonwealth

When we buy collections, we frequently acquire items which do not fit into our standard stock lists.
We usually have only one of each item.
This list is designed to accommodate such items from non-British Commonwealth (foreign) countries.
A separtate list exists for British Commonwealth countries.
As they are one offs and non-stock items, we are prepared to discount their prices.

We will deduct
20%
from list prices.

To find an item in this list, please use Adobe's powerful search function.
