USED STAMPS

Used stamps are reasonably well centred, defect free and have light commercial cancellations. The British Post Office will NOT hand cancel mail, philatelic or otherwise. Registered &/or parcel mail yields only a minute percentage of suitable cancellations. Consequently, circular cancels are difficult to obtain. Thus many GB Fine Used stamps sell at a premium to MUH prices. Collectors who insist on circular cancels can expect to pay premium (FDC) prices on most issues. All decimal stamps are Fine Used and have circular or pictorial cancels.

		SG's policy is not to list stamps from a M/S, treating the M/S as a single unit. In contrast, SG do list stamps from booklet panes. The Star Wars self adhesive space vehicles appear both in the M/S (1st issue) and in 2 panes of the PSB (2nd issue). As it is uneconomic for us to break up a PSB, collectors who require the space vehicles singles, will be supplied with a M/S which they can cut up. SG notes that the stamps from each source are identical. The self adhesives from the Smilers Sheet are Star Wars personalities and of the same design as the sheet stamps. They are completely different from the M/S / PSB stamps. SG does not list stamps from Smilers Sheets as they were issued above face.
