To find an item in this list, please use Adobe's powerful search function.

We obtain our stock from collections we purchase.
We do not have a Germany supplier.
Consequently, where something is unpriced, we do not have it at present.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

USED STAMPS

For used stamps, most collectors of Germany want "socked on the nose" cancels to ensure genuineness.
Thus the FU / Used categorisation is problematic.
Fine used stamps have light circular or machine cancels and are defect free.
Used stamps are those with heavier postmark, or minor flaws, eg pulled perf.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.
