To find an item in this list, please use Adobe's powerful search function.

We obtain our stock from collections we purchase.
We do not have a Monaco supplier.
Consequently, where something is unpriced, we do not have it at present.

Yvert & Tellier list separate series for mini sheets, airmail stamps and precancels additional to their main listing.
To avoid confusion, we have added prefixes to the Yt numbers for the additional series. These are:
A = airmail
Blk = block = mini sheet
PC = precancel
Yt and Michel also assign numbers to stamps from Mini Sheets.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

Mint stamps without gum or postmark are listed separately as Mint No Gum [MNG].

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list
INCLUDE
GST

All prices are in Australian dollars.

					Stamps marked with ** are MUH but listed as Mint. They come from collections mounted in hingeless mounts under pressure (probably from laying flat, rather than upright). Consequently, gum glossiness has been lost when they were removed from these mounts. The same items listed as MUH have original (undisturbed) gum.
