					There is no premium for most FDCs which are priced as Fine Used except for scarce issues (prices in green). For those collectors who seek FU stamps only, we are prepared to scissor the FDCs to minimise postage costs. However, we are NOT prepared to soak the stamps from the envelope piece.					FDCs are very clean & unaddressed. Exceptions are noted.

					NVPH produces a single standard size FDC. They do not produce a FDC for every issue, but "private" covers may exist. Many modern sheets/sheetlets will not fit these covers and are spread across 2 or more covers, usually in blocks. We classify these covers as containing singles. A few FDCs (Xmas issues) contain only 1 stamp from large sheets / sheetlets. These are noted.
