AUSTRALIA: DECIMAL PLATE & OTHER VARIETIES

List Structure:
Plate varieties - catalogued & uncatalogued
Printing varieties - catalogued & uncatalogued
Sheet number & gutter varieties

Decimal USED stamps with plate varieties vary in condition from fine used examples (generally neat hand CDS) to those 'damaged' to some degree.
Even on the sorrier specimens, the plate variety remains discernible.
Accordingly, prices for used stamps are provided in 3 states - fine used; used; and sad used (used with varying defects ranging from minor imperfections to significant damage).
Pricing reflects the state of any defects.

To find an item in this list, please use Adobe's powerful search function.

We obtain our stock from collections we purchase.
Consequently, where something is unpriced, we do not have it at present.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.
