BLOCKED VALUES
See our East Germany list (title page 2) for an explanation of blocked values.

To find an item in this list, please use Adobe's powerful search function.

We obtain our stock from collections we purchase.
We do not have a Poland supplier.
Consequently, where something is unpriced, we do not have it at present.

We list all items we have in stock, including broken sets, and singles from sets.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list
INCLUDE
GST

All prices are in Australian dollars.

					Although we lave listed & priced used stamps as used, given the postmarking practices of the day and the narrow issuance locale & time period, they can probably be considered fine used. These stamps are scarce! Only 5000 sets were issued.
