POSTMARK REFERENCE NUMBERS are to the definitive reference work by **Colleen A Woolley assisted by Janet S Eury** titled **"Australian Pictor-Marks: A graphic history of Australia's Pictorial and Commemorative Postmarks" Edition 2, 2013**. Volume 1 1879-1989; Volume 2 1990-2012.
This 2 volume set is an indispensable tool which no serious cover and/or postmark collector can be without.
It is the definitive reference on Australian pictorial & commemorative postmarks.
It is available directly from the publishers or from Sutherland Philatelics.
Annual supplements are produced.
We have retained the old Peck numbers only because they are there. Correctly, we believe, they have been deleted from the 2nd edition of APM as they have outlived their usefulness as a transition to the new APM numbers.

PSE COLLECTORS should consider the catalogue by **Ambrose Thong** titled **"The Catalogue of Australian Special, Relevant and Thematic Cancelled Pre-Stamped Envelopes: 1978-1987"**. This is available direct from the author or from Sutherland Philatelics.
Annual supplements are *not* produced. The reference has not been updated since 1987, but still remains useful for early PSE collectors.

						WARNING!			
						Many modern PSEs and PPEs have self sealing flaps. These are designed for immediate use and not long term storage. With time, the gum from these discolours and may affect the envelope. It is also common for the flaps to adhere to the envelope. These envelopes (MUH or FDI) are sold "as is".

CLUB 200 PRESTAMPED ENVELOPES

With the assistance of Australia Post, a service was provided for recognition to many established organisations for which stamps could not be issued during the 1988 bicentennial year. Either the 37¢ or 39¢ Bicentennial logo PSE was overprinted by each participating organisation and special cancels were applied. Whilst many of these cancels replicated existing postmarks, they were reduced in size or slightly modified for the Club 200 series. Several of the postmarks were later used for other events.

Only 1,000 of each cover were produced of which 350 were cancelled with the commemorative postmarkers.
There are 41 covers in the complete set.

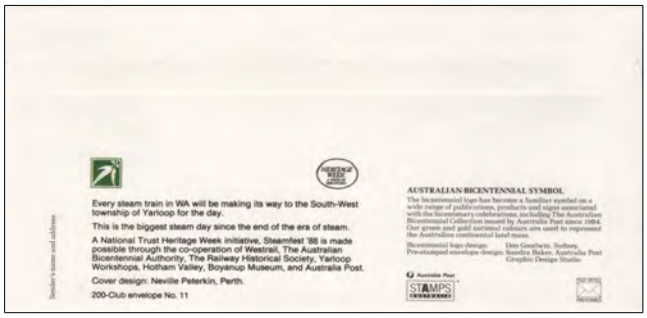

CLUB 200 PSE -- complete set -- MUH	**sold**
CLUB 200 PSE -- complete set -- cancelled	**sold**
CLUB 200 PSE -- special CLUB 200 album	**sold**

All covers are in pristine condition, thus scarce.
