AUSTRALIA: SPECIAL CANCELS - IV EXHIBITIONS

List Structure:
Exhibition, Show and Anniversary covers and souvenirs:
*** Australian Events (Predecimal & Decimal) AND**
Australia Post at Foreign Events
*** Foreign Events AND**
other postal admin commemoration of Australian events

Further exhibition-related material can be found in our other special cancels lists for Australia, GB, NZ and USA.

POSTMARK REFERENCE NUMBERS are to the definitive reference work by **Colleen A Woolley assisted by Janet S Eury** titled **"Australian Pictor-Marks: A graphic history of Australia's Pictorial and Commemorative Postmarks" Edition 2, 2013**. Volume 1 1879-1989; Volume 2 1990-2012.
This 2 volume set is an indispensable tool which no serious cover and/or postmark collector can be without.
It is the definitive reference on Australian pictorial & commemorative postmarks.
Annual supplements were issued, however, the book and supplements are no longer produced. Those that were are out of print.
We have retained the old Peck numbers only because they are there. Correctly, we believe, they have been deleted from the 2nd edition of APM as they have outlived their usefulness as a transition to the new APM numbers.
