AUSTRALIA: SPECIAL CANCELS - V FDI & PERMANENT USE POSTMARKS on COLLECT-A-CANCEL CARDS

List Structure:
Permanent Use Postmarkers
First Day of Issue Postmarks
Complementary FDI Postmarks
Seasonal Postmarks
Commemorative Postmarks

To find an item in this list, please use Adobe's powerful search function.

POSTMARK REFERENCE NUMBERS are to the definitive reference work by **Colleen A Woolley assisted by Janet S Eury** titled **"Australian Pictor-Marks: A graphic history of Australia's Pictorial and Commemorative Postmarks" Edition 2, 2013**. Volume 1 1879-1989; Volume 2 1990-2012.
This 2 volume set is an indispensable tool which no serious cover and/or postmark collector can be without.
It is the definitive reference on Australian pictorial & commemorative postmarks.
Annual supplements were issued, however, the book and supplements are no longer produced. Those that were are out of print.
We have retained the old Peck numbers only because they are there. Correctly, we believe, they have been deleted from the 2nd edition of APM as they have outlived their usefulness as a transition to the new APM numbers.

LEGEND

The postmarks in this List are on small gilt edged otherwise blank cards measuring approximately 9cm x 6cm, known as Collect-A-Cancel Cards. The majority of the cards are white with straight edges and curved ends. Some cards are pale blue or pale green and have serrated edges. With only a very few exceptions, postmarks are a crisp clean strike. Most of the collection is of permanent pictorial postmarks.
A fuller explanation of these cards can be found in Australian Pictor-Marks at page 419 after APM16490.

THERE IS ONLY ONE OF EACH SO PLEASE ORDER EARLY TO AVOID DISAPPOINTMENT.

Most of the cards bear 1c, 2c, or 3c stamps and the cancels have been applied in portrait style (short side to the top). Higher denomination stamps are indicated and, of course, there is no addressing. First day of postmark use is indicated where applicable, however most are not FDI. This is an unusual but attractive way to collect and present postmarks.

x = FDI of the Postmark (in the ?? column)
G = green serrated card (in ?? column)
B = blue serrated card (in ?? column)
All cards are white unless otherwise indicated

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list INCLUDE GST

All prices are in Australian dollars.
