LIST NO 96

WORLD WILDLIFE FUND FIRST DAY COVERS

List Structure:
Listed by country in approximately SG number order

Also see Item SP16-15 in our SPECIALS LIST No 16

PLEASE NOTE

These covers were issued by the World Wildlife Fund, at a substantial cost to the purchaser, as part of its fund raising.
For each issuance, there are **four covers to a set with each cover bearing one stamp**.
This format has been consistently maintained throughout the series *even though the stamps themselves may have been issued in se tenant strips or blocks, or part of a larger set, or part of a Miniature Sheet.*
The artistry on each cover is of very high quality, with full colour illustrations which complement the respective stamp subject.
We would like to illustrate them all. They are extremely attractive. Many covers also have complementary pictorial FDI cancels.
They are in **pristine condition**, in specially designed double sided 4 pocket "Vario-type" display pages, with one set per double sided page.

Prices for each set are based upon the Fine Used value of the stamps alone.
There is no premium for being a FDC, and no additional premium for being a WWF FDC.
Initial issue price would have been SUBSTANTIALLY higher.

The total price of the covers remaining in the set is shown at the end of the list. We are unsure whether the collection was complete in the first place but, knowing the collector, believe it was. The issuance period covers 1983 to 2007.

As individual covers are sold from the list, their price will be deleted and the total will reflect the total price of the remaining covers.

DISCOUNTS

The following discounts are offered:

1. For the entire collection:
2. For the total remaining collection, where parts have been previously sold: **50%**
3. For a single purchase exceeding $250 in total: **30%**
4. For a single purchase exceeding $100 in total: **20%**

Postage & Packing: PP & on-costs are extra. Registration & Extra Cover is extra.
Because of its bulk, international postage costs would be prohibitive.

Stock on this price list is from a one-off purchase.
Consequently, where something is unpriced, it can not be replaced.

Prices subject to change without notice.

Please note that GST (currently 10%) is applicable from 1 July 2000.
International sales are GST free.

The prices in this list INCLUDE GST

All prices are in Australian dollars.
